- (a) assist the Board in fulfilling its oversight responsibilities in respect of:
 - (i) the quality and integrity of the Company's financial statements, financial reporting processes and systems of internal controls and disclosure controls regarding risk management, finance, accounting, and legal and regulatory compliance;
 - (ii) the independence and qualifications of the Company's external auditors;

- (b) provide and establish open channels of communication between the Company's management, internal accounting department, external auditor and directors;

 - (ii) the confidential, anonymous submission by employees of the Company of such complaints or concerns.

The Committee will primarily fulfil its mandate by performing the duties set out in Article 7 hereof.

The Board and management of the Company will ensure that the Committee has adequate funding to fulfil its mandate.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits, or to determine that the Company's financial statements are complete and accurate or are in accordance with generally accepted accounting principles, accounting standards or applicable laws and regulations. This is the responsibility of Company's management, internal accounting department and external auditors. Because the primary function of the Committee is oversight, the Committee will be entitled to rely on the expertise, skills and knowledge of the Company's management, internal accounting department, external auditors and other external advisors and the integrity and accuracy of information provided to the Committee by such persons in carrying out its oversight responsibilities. Nothing in this Charter is intended to change or in any way limit the responsibilities and duties of Company's management, internal accounting department or external auditors.

Article 2. Composition

The Committee will be comprised of members of the Board, the number of which will be determined from time to time by resolution of the Board. The composition of the Committee will be determined by the Board such that the membership and independence requirements set out in the rules and regulations, in effect from time to time, of any securities commissions (including, but not limited to, the Securities and Exchange Commission and the British Columbia Securities Commission) and any exchanges upon which the Company's securities are listed (including, but not limited to, the Toronto Stock Exchange and the NYSE American) are satisfied (the said securities commissions and exchanges are hereinafter collectively referred to as the "Regulators").

Article 3. Term of Office

The members of the Committee will be appointed or re-appointed by the Board on an annual basis. Each member of the Committee will continue to be a member thereof until such member's successor is appointed, or until such member resigns or is removed by the Board. The Board may remove or replace any member of the Committee at any time. However, a member of the Committee will automatically cease to be a member of the Committee upon either ceasing to be a director of the Board or ceasing to meet the requirements established, from time to time, by any Regulators. Vacancies on the Committee will be filled by the Board.

Article 4. Committee Chair

The Board, or if it fails to do so, the members of the Committee, will appoint a chair from the members of the Committee. If the chair of the Committee is not present at any meeting of the Committee, an acting chair for the meeting will be chosen by majority vote of the Committee from among the members present. In the case of a deadlock in respect of any matter or vote, the chair will refer the matter to the Board for resolution. The Committee may appoint a secretary who need not be a member of the Board or Committee.

Article 5. Meetings

The time and place of meetings of the Committee and the procedures at such meetings will be determined, from time to time, by the members thereof, provided that:

- (a) a quorum for meetings will be two members, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak to and hear each other. The Committee will act on the affirmative vote of a majority of members present at a meeting at which a quorum is present. The Committee may also act by unanimous written consent in lieu of meeting;
- (b) the Committee may meet as often as it deems necessary, but will not meet less than once annually;
- (c) notice of the time and place of every meeting will be given in writing and delivered in person or by facsimile or other means of electronic transmission to each member of the Committee at least 72 hours prior to the time of such meeting; and
- (d) the Committee will maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board. The Committee will make regular reports of its meetings to the Board, directly or through its chair, accompanied by any recommendations to the Board approved by the Committee.

Article 6. Authority

The Committee will have the authority to:

- (a) retain (at the Company's expense) its own legal counsel, accountants and other consultants that the Committee believes, in its sole discretion, are needed to carry out its duties and responsibilities;
- (b) conduct investigations that it believes, in its sole discretion, are necessary to carry out its responsibilities;
